IELTS PREP PROGRAM SYLLABUS

- INTERACTIVE EXERCISES
- TEST SIMULATION
- PRACTICE ACTIVITIES
- DETAILED FEEDBACK & ANALYSIS

ALC Prep's online program for IELTS includes a comprehensive preparation course & 2 full length practice tests. The program covers all sections of the test: *Reading, Listening, Speaking & Writing.*

COURSE INTRODUCTION

This program will help students learn general strategies, features, tips, and tricks to successfully pass the IELTS exam. The interactive exercises and intensive practice will significantly improve a student's reading, listening, speaking, and writing scores. Throughout the online preparation course, there are simulated practice tests, as well as educational tools that teach students about idioms, synonyms, and how to recognize the variety of questions types that students experience on the IELTS.

PREP COURSE

The program is taught through a robust learning methodology that engages students across all learning metrics: auditory, visual, and kinesthetic. Students are presented concepts, play sound games, view stunning graphics and animations, and enjoy multiple fun interactions.

PRACTICE TESTS

The practice test for the IELTS is offered through the ALC Prep Test Simulator. The speaking and writing section of the tests are scored and evaluated by trained ESL experts. Students receive detailed feedback and advice regarding their performance on each specific type of IELTS question or task.

COURSE OUTLINE

Upon completing this program, students will be able to:

1. Understand the general organization of the IELTS.
2. Recognize each of the 11 types of reading questions and the 6 types of listening questions.
3. Respond effectively to each of the 3 types of speaking tasks and the 2 types of writing tasks.
4. Identify and apply the most effective strategies to use for each type of IELTS question and task.
5. Identify common answer traps or tips to avoid for each type of section questions.
6. Take valuable notes during reading or listening passages and use them to help answer the questions.
7. Know and understand the different speaking parts required on the IELTS and how to prepare for them.
8. Know and understand how to create an academic essay and write them for each of the writing tasks.
9. Understand how the IELTS exam is graded and evaluated for each section and what the overall band scores indicate.
10. Monitor and use time most efficiently in all sections of the IELTS.
